President’s Message

To All Coaches and Volunteers,

Welcome to another exciting season of high school basketball. On behalf of the BCHSBBA Executive, I would like to thank you for all the time and effort you devote to supporting boys’ high school basketball in British Columbia. We are coming off another successful season that culminated in four incredibly successful provincial championships. Congratulations to 4A Champions – Sir Winston Churchill, 3A Champions – St. Thomas More Collegiate, 2A Champions – Lambrick Park and 1A Champions – West Point Grey Academy. This was the first year of the 3A Championships and all of the Championships were held at the Langley Events Centre. A warm felt thank you to all the Tournament Committees for their excellent service to our Association.

This year we are again fortunate to continue our relationship with TELUS and BADEN. Both of these sponsors and others within our province have been great supporters of boys’ high school basketball in BC.

The 2014-2015 basketball season is quickly approaching. Please take the time to read this Handbook and familiarize yourself with the online registration procedures available on the Association website. Feel free to contact me or other members of the Executive with questions or clarifications. In addition, this book also contains contact information for all Zone Reps and Committee members. The website (www.bcboysbasketball.com) contains a wealth of information and is updated regularly. Thanks again to Ted Cusick and Tom Tagami for their tireless efforts managing the site.

Our AGM for 2015 will be held on Saturday March 14th at 10:00am at the Langley Events Centre Banquet Room as part of our Provincial Championships. In order for our association to function properly and to improve communication it is imperative that we get a big turnout at our AGM and I strongly encourage all coaches to attend.

The membership has made it very clear that it is critical that we run top level championships for all four tiers. In order to accomplish this we worked very hard to get a one year exemption from BCSSS to run all 4 championships March 11th to 14th. These changes have presented many challenges for our Executive but I am confident we will deliver 4 great tournament experiences for our student athletes.

I would like to personally thank outgoing President, Kerry Taylor, for his 5 plus years of service to our association and I look forward to continue working with him as he steps in to the role of Past-President. I would also like to thank Muzz Bryant and Don Wallace who are leaving the Executive team, for their many years of service to this Association. To the remaining Executive members, my sincere gratitude for your excellent work on behalf of the coaches and players in the BCHSBBA.

Good luck to all teams and coaches for the 2014-2015 season.

Respectfully,

Paul Eberhardt

   - LEC now does all the financial accounting for all components of our tournaments
   - We had an overall loss this year of $36,363.58. Several factors contributed to this such as: Adding another tournament, doubling of many expenses running two separate weekends at LEC, new trophies, jackets for executive, zone reps, and door prizes at AGM, a $30,000 drop in gate revenue
   - Executive is exploring ways to increase revenue such as; pay per view for internet, tourney entry fees, sponsorship, cost cutting at LEC with all 4 tournaments running at once
   - Will be able to have a full audit done after next fiscal year
   - Report accepted (Dyck/Parmar)

10. FIBA Rule Changes - Paul Eberhardt
    - Technical fouls will now be one shot and the ball, if a player receives 2 technical’s they will be disqualified from the game
    - 3 time-outs still available in the 2nd half but only 2 may be used in the last two minutes.

11. Tiering/Championships - Paul Eberhardt
    - The Executive submitted a proposal to BCSS that the Winter Season begin a week later to allow for all tiers to have their Provincial tournaments scheduled for the same weekend (March 11 to 14, 2015). This motion was never voted on at the BCSS AGM due to a procedural error at the AGM. We appealed to the
BCSS Executive for a one year exemption and were denied. We have been given a second opportunity to appeal and this will be decided on Saturday October 25th. (*NOTE – The appeal was subsequently successful and thus all of our championships will be run March 11 to 14, 2015 at the LEC)

Variation to the Tournament Berthing

The Berthing Committee will meet February 2, 2014 to determine the berths for our zones for the all provincial tournaments. This berthing is done according to our constitution (Rules section—Part 9). As a result of the motion passed at the March 2013 AGM, section 9.01 exemptions are no longer accepted.

General Information

Uniform Numbers

All teams should now be using International Rules numbering. The next numbers after 4–15 are 20, 21 and 22.

Zone Allocations

The number of teams from each Zone for Provincial Championship will be based on the number of “active” schools registered online with the BCHSBBBA by December 12, 2014. An “active” school is one that has submitted its Player Registration Form to BC School Sports by that date and is playing games with the goal of advancing to playoffs.

*Effective January 1, 2011, Baden is the Official Ball of the BCHSBBBA and will be used at the “A”, “AA” and “AAA” provincial championships and zone qualifying tournaments.
Playoff Games for Provincial Tournaments

Should the Executive and Tournament Committee determine that playoff games are required, and determine that the game(s) be at a neutral site, that site should be agreed to by the Zone Representative involved. Should the Zone Reps not be able to agree on a site, the President shall make the final decision.

Role of the Zone Representative

The Zone Representative acts as the representative of the Executive in his/her particular Zone. He/she exercises advisory powers to teams in matters that arise with the Zone.

• Contacts schools in his/her Zone, usually by letter, in September outlining such things as registration procedures, zone tournament information and other matters relating to the Zone.

• See that all photos, required from teams by January 18th, are sent to the BC Boys’ website. Zone Representatives should contact coaches to remind them of this photo requirement.

• Sees that all arrangements are made for the Zone Tournament and that all registered teams have had the opportunity to qualify for the Zone Tournament.

• Informs the Executive Assistant of their representative from their Zone to the Provincial finals the day following the Zone Tournament.

• Provides for the annual meeting a full report of the Zone activities for the year, as well as Zone Tournament results and a financial statement (requirement to receive Baden grant).

• Provides information to teams regarding scholarship application procedures.

• Attends, where possible, Executive meetings of the BCHSBA.

Classification for 2014–2015 (*2nd year of reclassification)

“AAAA” – Secondary schools with a male population in Grade 11 & 12 of 284 and up.

Code of Ethics: Recruiting

A primary goal of the BC High School Boys’ Basketball Association is to provide equal opportunities for all participants and all schools. Members of the Association are, therefore, opposed to student recruitment. Schools should not—either directly or indirectly—attempt to coerce or pressure a student to play for a particular school.

More specifically, schools should not attempt to influence a student who demonstrates special skills and talent in basketball to enrol in a public or private school outside of his designated school boundary.

Indicators of Recruiting

1. A coach or any other school representative initiating contact with a non-enrolled* student in order to suggest, explain, or encourage a student transfer.

2. A coach or any other school representative encouraging any other person—including present or past players—to contact a non-enrolled student to encourage a student transfer.

3. A coach or other school representative encouraging the non-enrolled student to attend a particular school by providing special inducements such as preferential accommodation, reduced fees, or employment.

4. A former coach influencing a student to transfer to a school where that coach is presently employed.

5. A coach permitting a non-enrolled student to participate in team activities, including:
   - Team practices.
   - Scheduled team activities, including team meetings.
   - Pre and post-season practices, including open gym, and spring and summer leagues.

6. A coach permitting a non-enrolled student to accompany his/her team to school functions, and/or providing a non-enrolled student with complimentary admittance to a school function or to any other activity in which the school is participating.

7. A coach providing a non-enrolled student with team practice, game, or other plans.

8. A coach providing transportation, and/or providing financial payment (including reducing or waiving fees) in order to facilitate the participation of a non-enrolled student in out-of-season contests, leagues, camps, or related programs.

9. A coach using the evaluation process in an out-of-season program or camp to suggest that a player would improve if he played in a better program or stronger league.

* An enrolled student is a student who is attending a Grades 8 to 12 school. Where the school has only Grades 11 and 12, students enrolled in the senior school’s “feeder” junior secondary school would be considered enrolled in the senior secondary school.
The Ken Wright Memorial Scholarship

Ken Wright was one of the original founders of the BCHSBBA in 1946 and played a key role in the development of our Association and Provincial Tournament until his passing in 1996. From the outset, he enthusiastically supported and aided in the development of high school basketball and coaching programs in our province. Of great interest to him was the development of sportsmanship along with the pursuit of excellence by the coaches and players associated with the game. This award is presented by the Wright Family Trust, with assistance from our Association, in the hope that every school will seek to achieve the high ideals and dreams that Ken wished to see developed in high school basketball.

The award will be in the amount of $500.00 and will be awarded to a coach, in our Association, in the name of the high school, who has improved and developed in the school’s basketball program to be competitive at the local, regional, and provincial level. The award must be used to encourage the continued development of the school’s basketball program. An individual plaque will be presented to the coach in recognition of his/her commitment to and development of basketball in their school.

Nomination Process

The selection of this award will be determined by a committee made up of members from the Executive of the BCHSBBA. Nominations may be made by coaches and Executive members of the BCHSBBA. Nominations must be submitted by March 1st of the year in which the award is given and be accompanied by a written statement, describing the improvement and success of the school’s program. In the event that the Awards Committee does not receive a nomination, it will be the responsibility of the members of the Executive to seek a school program worthy of this award. Nominations should be sent to:
